

The Marifuture Platform is proud to support the “International Maritime Training Week”, with its series of conferences and events to improve the level of safety at sea worldwide, enhance the standards in Maritime Education and Training (MET) Institutions as well as increasing the mobility of seafarers across Europe and Worldwide.

The International Maritime Training Week will take place between 19th and 23rd November 2012 . This week will kick off with an evening reception and conference in Bled, Slovenia on 19th and 20th November 2012 respectively, before moving onto London, UK for further events and conferences on the 21st, 22nd and 23rd November 2012. The International Maritime Training Week is organised by Centre for Factories of the Future (C4FF), Spinaker and a number of MariFuture partners.

More details on The International Maritime Training Week's events and conferences are provided below:
